

## Welcome to the Second Session of the 458th Public Auction

Here we are with our first sale of 2024. You'll find throughout the sale among the many US and worldwide country collections, several nice solid bread and butter lots along with small to medium value specialized types. There is a very outstanding picture postcard section which includes a lifetime collection of vintage Detroit Publishing postcards. The singles also contain a wide variety with notable PRC. We would like to finish by drawing attention to the shipping of the material. We pride ourselves on the speed and accuracy of this process. However, we have noticed, as we are sure you have, the increased cost. This has prompted us to investigate cheaper alternatives, without compromising safety. As such, we will be shipping more through FedEx freight. We are going to work with, on some orders, a different logistic company as well as a different method of FedEx. Through trials over the last couple of months the savings can be up to 50%. More smaller packages will be sent via USPS, especially International. With every shipment we will explore the different alternatives to best suit the customer. This may slow the process, but we are sure you will appreciate the savings. We welcome your input. When bidding should you have a preference let us know, we will make every effort to accommodate you. As a reminder, a 2% surcharge will be charged to all charge card payments. Good luck and happy philateling.
