

Rasdale Stamp Company

Welcome to the First Session of the 438th Public Auction

Please Note: Pre-Auction Bidding closes at 5:00 (CST). In our 437th catalog we announced, starting with our February 2019 auction we would no longer be printing a catalog. Due to numerous reasons we will not bore you with, we pushed the change up to this auction. Rasdale Stamp Company, founded in 1932, the oldest family operated stamp auction house in the United States will be the first to us an all digital platform. We encourage you to use our website to bid by using the pre-auction bidding process. This feature will close on November 16, 2018 at 5:00 pm (CST). Then on Saturday, November 17th, and Sunday November 18th you are welcome to participate in the "Rasdale Live Auction" feature. "Rasdale Live Auction" is a dynamic element which you will be able to bid while the auction is taking place. You, other Internet bidders, and floor bidders will be able to compete on a single platform to buy lots we are offering. **PLEASE NOTE: you can bid in either or both aspects of the auction. All you need to do is register to bid prior to the auction. It is strongly recommended you register as early as possible as last minute registration cannot be guaranteed.** For more information and a 10 minute tutorial on how to use these features, please contact Kim at 630.794.9900. We freely admit this change will have an immediate impact on a segment of our customers. To those customers we offer two ideas. First, contact a family member, friend, anybody you know with access to a computer, laptop, tablet or smart phone. Second, go to your local library and use the computer lab there. Most libraries today offer a myriad of services and most are free. The time needed to search, copy, print both the lot description and bid sheet takes just a few minutes. You can then send a copy of your bid sheet by mail.

Pre-Auction Bidding: Bids will be accepted by mail, fax, e-mail, or phone until 5:00 p.m., (CST) Friday, November 16th.

Rasdale Live Auction Bidding: Rasdale Live Auction Bidding takes place at 9:00 a.m. (CST) on Saturday, November 17th for Session One and Sunday November 18th for Session Two. Phone bidding is not available.

Opening Bids: Opening bids will be posted on our website, www.RasdaleStamps.com and updated until Friday November 16th.

Viewing of Lots: Lots will be available for viewing in our auction gallery at 35 Chestnut Ave. as follows;

Saturday November 10th, 9:00 a.m. to 4:00 p.m.; Monday-Friday November 12-16th; 9:00 a.m. to 5:00 p.m.

The office will close from 12:00pm to 12:45pm (CST) everyday for lunch.

Questions Concerning Lots: If you have any questions regarding further information of any lot, please contact our office no sooner than November 5th but no later than November 14th and we will be pleased to assist you. **Requests for additional scans on any lots are respectfully declined.**

3. All bids are handled competitively and confidentially. Lots purchased for the highest bidder at a slight advance over the second highest bid. Should any dispute arise between bidders, the decision of Rasdale Stamp Company as to the successful bidder; or the re-offering or resale of the lot under dispute shall rest solely in the judgment of Rasdale Stamp Company. 13. A lot, in which the description is incorrect, is returnable within 5 days of receipt and must be received by the Rasdale Stamp Company within 21 days from the date of the auction. Provided, however, lots cannot be returned under the following conditions: 1) the lot contains 10 or more stamps; 2) there is mention of faults, defects, or "condition mixed" in the listing description; or, 3) the lot was inspected by the buyer or the buyer's authorized agent prior to bid or purchase. - 77 ★★/★ **One man's mint US collection of singles, blocks, mini sheets, full sheets, mint US postal stationery, and scrap 1945-2017.** Our estimate of face \$5250.00 is probably close, as most of the stamps are mounted in 11 hingeless "Lindner T" homemade pages. Few if any booklets as those two albums shown in the webphotos are empty. Little if any premium except for a representative sample of the imperforate mint stamps now with sub number listing in Scotts. Along for the ride is his Christmas Seal collection 1940-2012 that has much of the "better" material from this era. No used. Just postage for the most part. Clean. Continuable. All the plate strips appear hand selected for centering and the used singles are a little mixed. One of the nicest offerings of the days gone by popular area. A quick way to acquire a near complete assembly with only a very few of key items to be added. **S.B. 1200.00**
- 147 ★★ **A powerful Federal duck accumulation of almost entirely NH** singles, blocks, and plate blocks. Almost all are the \$1.00 to \$3.00 values. Very clean and profitable assembly we have offered of this popular area. **S.B. 1150.00**
- 148 ★/○ **An important backup accumulation neatly nested in over 25 stock books.** Starts with the early Bureau issues up to the modern face types. Also includes airmails and Federal Ducks. Most of the value is in the Ducks, face and airmails. Condition is iffy in the early and duplication ranges from very little to very much. Solid value to be found. **S.B. 1000.00**
- 149 ★★ **United States 1920'-1990's commemorative block, plate block, and other types of block collection in White Ace binders.** A few bonus items in the earlier like perfed Park and Washington Bicentennial sets, and Farley souvenir sheets while in the later group contain a few full sheets, self adhesive sheets, and booklet panes. Looks can be deceiving as we spotted in some of the late books the blocks were actually folded plate strips or larger types of multiples. Very clean group. Thorough examination highly recommended to be competitive. **S.B. 1000.00**
- 150 ★★ **An enticing petite two volume mint and used collection.** Starts with the 5¢ 1847 issue and holds a scattering of Banknotes, Washington-Franklins later issues. Also contains the 1930 and 1933 Zepps, a few Back of the Book issues and Federal Ducks. Condition is a little mixed, a solid starter collection if there ever was one. **S.B. 1000.00**
- 151 ○/★ **A mainly used accumulation of mostly 19th and 20th century front of the book.** Meticulously nestled in European size stock cards. Optimistically identified and cataloged with much duplication in some cases and condition issues in most. However, still solid value to be considered. A perfect assembly for an individual that would like to bulk up on catalog for their philatelic holding. **S.B. 950.00**
- 152 ★★ **A 1950's to 1990's coil strip collection.** Mainly in strips of 5 or larger with some plate numbers in the PNC areas. Includes some permit types and officials but still solid value spread throughout. Very clean with some duplication present. Good starter group with plenty of trade bait available. **S.B. 900.00**
- 153 ★/○ **One man's collection in two large cartons.** Includes a few hundred 1960's to 1990's FDC's with mainly multi-colored cachets, a simple three volume mostly mint collection, around \$1700 in modern mint in sheet, booklet and scrap form. Finally we spotted a small flock of modern Federal Ducks amounting to over \$400 face. Great starter assortment with plenty of expansion possibilities. **S.B. 800.00**
- 154 ○/★ **An accumulation from an old time customer** from the Motor City area. Many hundred mostly used lower priced items sorted and housed in sales pages. Includes singles, sets, plate blocks, booklet panes, booklets, and postage types. Condition is very mixed. Good circuit book material. **S.B. 750.00**
- 155 ★/○ **One man's US collection as received.** Fills one complete large carton. Most of the value is in three "Heirloom" albums. Contains just a few earlies, good banknotes with a couple 90 centers, questionable Washington/Franklins, mint Kansas/Nebraskas, and strong airs and BOB. Enough face for consideration. Haphazardly organized with entirely too much ancillary material. Mixed condition. A great lot to break down to recycle. **S.B. 750.00**
- 156 ★★/★ **Accumulation of beginner albums and scrap postage as consigned.** Put together 1948-1985. Stored haphazardly over the years with many of the sheets now damaged. Sheets range from 1 cent through 20 cents with the 3-8 cent range holding the bulk of the value. Plate blocks, multiples, plate blocks, and scrap make up the rest. Thins, missing margins, missing stamps, thins, no gum, etc. are all present. Best is probably the \$300.00 face in Duck stamps in a small pizza size box. Our estimate of around \$2,000 face takes all of this into account. The albums are all beginners with very little to offer other than their reclaimable face. Four heavy cartons (100 pounds shipping) all in need of close inspection before conjuring up a bid. As is as found, offered reasonably. **S.B. 750.00**

RASDALE STAMP COMPANY

- 157 ★★/★ **Smoking hot collection in four hingeless albums produced as heirlooms for an East Coast stamp company.** In Scott order on clean hingeless pages. Light to sparse before 1925, but goes into the mid 1990s with good coverage 1935-1988. Lots of face (perhaps \$1250.00 or more) altogether that includes #630 mint dist. gum, 834 x2, 1053 x2, a mint sheet file, three stockbooks, and a small stack of Vario pages each with enough US face for a count. Put together in a cigar smoker's man cave with a distinctive residual odor. Examine and count away! **S.B. 750.00**
- 158 ★★/★ **A fluffy flock of Federal Fowl (RW1-RW75).** Almost entirely NH with mixed centering neatly mounted on clean album pages. A real time saver. **S.B. 700.00**
- 159 ★/○/☒ **Two cartons of mint and used run off from a successful Midwest dealer clean out.** More value in the mint than used, with the bulk of that in the face value of the accumulated sheets and scrap hiding throughout the two cartons. Estimate of around \$1,300.00 face, but does include two mint #C18. Would probably benefit from a long date with a calculator. **S.B. 650.00**
- 160 ★★/★ **An attractive 1934//1993 (includes the later pages up to 2011) mint Federal Duck collection** nested on Lighthouse hingeless pages. Almost entirely NH. Centering a little mixed. Very clean and attractive group. **S.B. 600.00**
- 161 ★/○/☒ **An immense office sweeping accumulation in twelve bulging cartons.** Stored in every numerous container types we spotted modern stamp and cover promoter material, parts of elementary collections, assemblies of FDC's with no apparent direction, coin promoter material, on and off paper types, postage spread throughout, groups of stuff with little meaning except for the fact that the housing unit was worth more than what was in it. And for you who love Christmas seals, you'll find a few of that as well. Too much fun for very little. Approximate shipping weight is 400 lbs., call or email for rate quote. **S.B. 500.00**
- 162 ★/○/☒ **Huge one person collection of US stamps 1972-2004.** 24 (yes, two dozen) heavy cartons, somewhere near 100 three ring binders, collected on a shoestring with much ancillary material for each issue. Includes: mint and used stamps (sometimes sheets), covers, newspaper articles, pictures, photographs, picture post cards, maxim covers, maxim cards, magazine articles, internet research, and anything else he deemed acceptable. Some binders are quite interesting, but the majority are mundane. Good fodder for a history teacher or US history aficionado. 600 lbs. call or email for a rate quote. **OFFICE PICK UP RECOMMENDED. S.B. 500.00**
- 163 ★/○ **United States 1934//2017 Parallel mint and used duck assembly.** Also includes RW65//RW83 self adhesive mini-sheets, RW77b//RW80b artist signed souvenir sheets, and Junior Ducks JD9-JD25. Condition is mixed and would make a nice starter collection. **S.B. 450.00**

- 166 ★/○ **End of the line selection from a super consignment in three cartons.** Most of the value is in the low value postage in booklets, glassines, stockbook, and loose. A little patience could be rewarding. Also includes miscellaneous material. **S.B. 325.00**
- 167 ○/★ **An unwieldy mint and used accumulation/collection of mostly cheap stamps** on stock pages, glassines, and an elementary collection in a child's album. Highlights include a scattering of mint medium values, some 3¢ postage types and lo and behold, a mint OG., #342 block of four. An easy lot to figure so don't let this one get by. **S.B. 325.00**
- 168 ★/○ **United States Collection basically in four Scott specialty albums** starting around 1920 and ending in 1990 in one carton. Hundreds of mint and used stamps including postage to count. Includes mint Kansas-Nebraska set, C1-4, and C18. Examination required as at least one album appears to have water damage with a little postage inside. (see scans) Overall a serviceable collection. **S.B. 325.00**
- 169 ○/★ **An intriguing revenue accumulation of thousands.** Includes 1st-3rd issues, Reds, Greens, Beer, Tax Paid, State, a few on documents, and a varied assortment of Federal and State Ducks, etc. Also found was a couple of empty and near empty albums added for ballast. There is no concentrated value. The value lays in the countless hours of sheer enjoyment of the hunt. **S.B. 300.00**
- 170 ★/○/☒ **A humongous closet cleaning lot from a south side store.** Stored in twelve bulbous cartons and two plastic tubes you will find loads of off paper some sorted some not, cheap used stored in heavy binders, some FDC's, postal year sets, postage types in various forms, some moderately better scattered about and just plain stuff. Incorporates both regular issues, commemoratives, Washington-Franklins up to mediums value for the most part. Turns mostly mint un the 1920-1970 period. Airmails are missing the Zepp set while the B.O.B. is spotty. Decent representation of the easy to acquire revenues and Ducks. Huge catalog said by the owner to be somewhere near or over \$230,000.00 (2011). 46,000 different stamps mainly collected by the Classic catalog. Seems that only the West Germany album has stamps newer than 1950. Plenty of collectable stamps from the classic period in expected condition. Look carefully as there are numerous surprises (i.e.. US #1, Great Britain #1 and 2) in here among questionable Persia, German States, canceled German inflation issues all include in the owner's evaluation. The albums are custom organized according to geography and geo-political spheres of influence.
