

Welcome to the Second Session of the 438th Public Auction

Please Note: Pre-Auction Bidding closes at 5:00 (CST). In our 437th catalog we announced, starting with our February 2019 auction we would no longer be printing a catalog. Due to numerous reasons we will not bore you with, we pushed the change up to this auction. Rasdale Stamp Company, founded in 1932, the oldest family operated stamp auction house in the United States will be the first to us an all digital platform. We encourage you to use our website to bid by using the pre-auction bidding process. This feature will close on November 16, 2018 at 5:00 pm (CST). Then on Saturday, November 17th, and Sunday November 18th you are welcome to participate in the "Rasdale Live Auction" feature. "Rasdale Live Auction" is a dynamic element which you will be able to bid while the auction is taking place. You, other Internet bidders, and floor bidders will be able to compete on a single platform to buy lots we are offering. ***PLEASE NOTE: you can bid in either or both aspects of the auction. All you need to do is register to bid prior to the auction. It is strongly recommended you register as early as possible as last minute registration cannot be guaranteed.*** For more information and a 10 minute tutorial on how to use these features, please contact Kim at 630.794.9900. We freely admit this change will have an immediate impact on a segment of our customers. To those customers we offer two ideas. First, contact a family member, friend, anybody you know with access to a computer, laptop, tablet or smart phone. Second, go to your local library and use the computer lab there. Most libraries today offer a myriad of services and most are free. The time needed to search, copy, print both the lot description and bid sheet takes just a few minutes. You can then send
