**Lots 80-93 are all collectible toys and scale models from a "first childhood to second" collection and stock of a celebrated North Suburban Chicago gentleman. Toys are his passion and he feels as if it is time to let others enjoy the fruits of his many years of searching, rescuing, conserving, and restoring hard copies of our childhood memories. These toys and adult model projects range in age from 20 to over 50 years old many in top condition or expertly restored. Many are special limited edition with many MIB pieces. Most are difficult to acquire and are very salable in the secondary market. These are offered here in relatively large lots at low reserves for collectors, wholesalers, and internet retailers to have an opportunity to enjoy, own, and redistribute these artifacts of our past. Extensive web photos are a help, but first-hand viewing should be considered.**

Most of the material are medium values. The owner had lots of time on his hands so it is neatly nested, lined up, identified, and cataloged for easy viewing. A great amount of retail value ready and waiting for the next budding philatelic entrepreneur. **S.B. 6000.00**

- 126 ★/○ **Retired dealer backstock of mainly mint multiples 1934-2014.** Huge Brookman catalog value, but the reward is in the gigantic mass of uncounted face tucked away in stockbooks, a plate block "collection" in a Harris album, procurement center packaged sheets, souvenir sheets, se-tenant blocks, sets and singles. Fairly comprehensive with plenty of mint modern issues to 2014. Great bourse stock for those customers filling want lists of modern material. Huge uncounted face. A bargain at the reserve, but will need the patients of a saint to correctly count this two carton lot. **S.B. 2500.00**
- 127 ★/○ **A smart mixed mint and used collection neatly mounted collection on White Ace pages.** The 19th century is lightly populated then picks up speed with the Columbian issues through the \$5.00 values, the Trans Miss through the \$2.00 values. Mixed delights in the contemporary commemoratives and Washington-Franklins. Well endowed front of the book starting with the 1930's running into the 2000's with much postage types to take into account. Spotty airmails and B.O.B. follows making a brief appearance. Condition is mixed and would make an excellent starter group for someone attached to the earlier items. **S.B. 2500.00**

- 131 ★/○ **Combination of 4 salesbooks and 5 collections.** Mint and used issues from 1847 to 1950's. Singles, pairs, blocks of four. Manageable duplication. Most items identified and many priced according to a recent edition of Scott. Condition varies, with some F-VF and some heavily hinged. Some stamps require an expert's eye for proper evaluation. - 132 ★/○ **Sneaky US collection from the "Hawk Eye" estate.** Two meaningful albums that include mixed mint and used: #1, C1-C6, C18, 620 White Plains, Banknotes to 90 cents, Columbians to 50 cents, mint coil pairs, most of the Kansas Nebraskas, and a full flock of Duck Stamps as highlights. - 134 ★/○ **One man's US accumulation to 1995. Face estimated at around \$2,500.00 is probably in need of a introspective count. Little if any power 1840-1920 in both collections. Just a hint of cigarette smell still lingers after all these years. Will be loads of fun to break down and add to any good 1840-1940 collection to bring it closer to contemporary times. **S.B. 1250.00**

- 138 ★/○ **An eclectic mostly mint holding of mainly 20th century medium values.** Includes commemoratives, regular issues, and a few airmails in single and block form. Condition is quite mixed from clean NH to tropical environment gum and paper toning. Still much salvageable material spread throughout and worth a though examination. **S.B. 1000.00**
- 139 ★/○ **Collection in a clean Lighthouse hingless album from the 1850s to 1964.** Hundreds and hundreds of mixed mint and used stamps in full, partial sets, and singles. Highlights include mint White Plains and C1-6. A most useful Yankee collection. **S.B. 950.00**
- 140 ★/○ **A confusing mixed mint and used 19th and 20th century front and back of the book collection from 1847 to 1948** housed in 3 binders. Includes a used #2 then not much value until the Banknotes where a few 90¢ values pop in. The early commemoratives go up to the medium values. Hardy Washington-Franklins, however they are mostly used. Respectable White Plains sheet and Kansas-Nebraska sets exist. In the airmails you will find mint C1-C6, and a C18. Spotty in the B.O.B. arena, yet there is a mixed mint and used Q group. Condition is extremely mixed and some no gum mint in areas you would not expect. Still enough solid value to warrant serious consideration. **S.B. 950.00**

## RASDALE STAMP COMPANY

- 141 ★/○/☒ **Extensive and massive US and UN collection filling four heavy cartons.** Parallel mint and used US group with mint C1-C6, Prexie set, and C18 as highlights. All the earlies are used and when everything is counted a gigantic catalog value is achieved. But most of the value is in the mint face types 1980-1998 which need a complete count because when done earlier contained the mostly unusable face of the prolific plate strips from the fractional decimal issues in several volumes. The UN is in one clean Scott Specialty Album from #1 through 1994 with a #38 souvenir sheet. Piles of albums filled with stamps to rediscover. **S.B. 900.00**
- 142 ★/○ **A simple 1851 to 1926 regular issue and commemorative collection hinged on Scott pages.** The 19th century is a scattered bunch of various values, mostly medium but a few higher ones were spotted. Starts turning more mint with the Washington-Franklins. Condition is mixed and identity becomes questionable with the usual suspects. Offered for what it is and in need of a new home. Plenty of images for your perusal. **S.B. 750.00**

A well-rounded selection definitely worthy of your inspection. **S.B. 650.00**
- 144 ★/○ **An overgrown mint and used collection/accumulation.** Includes a lightly population pre 1940's assembly of both front and back of the book made up mainly of lower and a occasional medium scattered about. Most of the value lays in the postage that runs up to the "Forever" values. We even spotted a few high values while sloshing through the mass. Duplication abounds with solid value to count. Many hours of philatelic fun presenting itself in a meaningful way. Shipping weight is 72 lbs. Call or email for a rate quote. **Catalog 650.00**
- 145 ★/P **Compact mainly 19th century accumulation of mostly mint singles and a few proofs.** Condition is quite mixed with OG., RG, NG. Very high catalog and a quick and easy lot to figure. **S.B. 600.00**

The remainder of this collection is a hit or miss of later 19th and early 20th century. Well presented Washington-Franklins and a decent selection of Revenues. Condition is mixed with many very presentable items. Blending these two components into a new album is just what the doctor ordered. **S.B. 600.00**
- 147 ★/○ **An interesting mint and used pair and line pair collection.** While the flat plate subjects are viewed with suspicion there are a few with certificates like 390 line pair, 391-392 pairs, 412 line pair, 458 pair. The group also includes the more modern varieties such as perf hole sizes, gum and tagging differences. Condition is mixed. Good lot for the specialist. **S.B. 600.00**

- 152 ★/○ **Mint and used accumulation pre 1960 that was once part of an Indiana dealer's stock and backstock.** Highlights include: three counterbooks of singles, a pizza sized box of loose small dealer pages and 102 size cards, and a couple of folder collections, along with a carton of remaindered collections, a mundane UN accumulation, and around \$100 face in modern year sets and higher face value singles. Enormous aggregate catalog with way too many redundant intermediate, damaged, miscataloged and the like making the owner's catalog misleading. The web photos only show part of the story that an in person viewing will clarify. **S.B. 400.00**
- 153 ★/(★) **A pedestrian mint regular issue, commemorative, and airmail collection mounted on homemade pages.** Mostly lower and medium values in mixed condition with a special effort on research and presentation. Lots of value in postage to take into account. Moving the material into a new album would be beneficial. **S.B. 375.00**
