THE FOLLOWING LOTS ARE ALL OFFICE PICK UP REQUIRED. SHIPPING IS NOT AN OPTION. Lots 1049-1078 are from the Old Woodsman's collection of military blades (mainly swords), knives (mainly hunting), and air rifles. These are all vintage and antique examples put together over 40+ years of worldwide traveling and collecting. Many, but not all, have makers markings described when possible. Not much has been done with them for the last 20 years or so. Faults to be expected from storage and travel. These are described to the best of our ability with plenty of photos, so knowledge is power. Offered "as is and as found".

Old Woodman's Collection

- 1049 ○ **Just what Ralph wanted as his Holiday gift.** An original 1940 Red Ryder air rifle complete with scope. Inscribed above the trigger: "Daisy Red Ryder Carbine; No.111-Model 40, Pats. 880,555 - 1,062,855 - other pats pend; Daisy Mfg. Co. Plymouth, Michigan U.S.A.". Well used. Some unobtrusive rusty spots that adds to its patina. We did not cock or fire this one so no one would "put an eye out". Seems original and complete to us. **S.B. 150.00**
- 1050 ○ **Super Buzz Barton No. 103,** 1933 36" BB rifle in working condition. Tough early air gun. **S.B. 120.00**
- 1051 ○ **Unattributed vintage well used pump style air rifle.** Heavy duty. Supposed working condition. Needs a good cleaning. Complete and collectible. **S.B. 100.00**
- 1052 ○ **Thirty-three knives having most in scabbards** from the Old Woodman's Estate. Sizes vary and condition too accordingly to their age. Manufactured in Germany, Sweden and the United States. All are attributed. **S.B. 500.00**
- 1053 ○ **Twenty-nine knives having many in scabbards** from the Old Woodman's Estate. Sizes and conditions vary accordingly to their age. All are unattributed. **S.B. 150.00**
- 1054 ○ **Twenty-four knives both in and out of scabbards** from the Old Woodman's Estate. Various sizes in varying degrees of condition. All are unattributed. Offered appropriately. **S.B. 90.00**
- 1055 ○ **Forty-four pocketknives** of varying sizes and condition. Some have rust. Offered appropriately. **S.B. 100.00**
- 1056 ○ **Twelve piece War weapons and equipment souvenirs** from the old woodsman's collection. Two attributed bolo knives, two WWI trench knives, two piece helmet and liner, belt, hatchet, and various bayonets are included. All have been sharpened, cleaned and otherwise fooled with. Average collectible condition for the serious adult collector. Sharp. **S.B. 500.00**
- 1057 ○ **WWII souvenirs collected by the "old Woodsman"** while in Germany after the war. Includes: A RAD ceremonial dagger, an Army dagger, A Luftwaffe Eagle dagger, and a dove head engraved blade bayonet. All appear to us to be fine right after the war reproductions, some even using real authentic parts. A couple may be the real Mc Coy, but the market is rife with repros and its impossible for anyone but an expert blade collector to determine the authenticity. Therefore, sold "as is as found" in a collection of four different. You be the judge. Not disassembled by us and not allowed during viewing. **S.B. 500.00**
- 1058 ○ **US 1917 #44307 PLUMB PHILA machete** 19 1/2 inch knife with a 14 inch heavyweight blade in a period but not matching leather scabbard. Good restored condition. **S.B. 100.00**
- 1059 ○ **1860's Knights Of Pythias FCB Fraternal Sword.** The scabbard and sword have an incredible amount of dimensional metal work and the handle has a black leather wrap. The scabbard looks like it had a silver wash at one time, but none now is still present. The now rusty blade is double sided etched. Condition is used poor as found. The handle pommel and blade are a little loose. Ornamental antique. **S.B. 50.00**
- 1060 ○ **Well used 1861 light cavalry saber** made in Birmingham, England by Robert Moles and Sons. Imported for the army by Tiffany and Company, New York. Includes steel scabbard. The originally 35 5/8 inch blade has been reduce in battle to a point 35 inches from the hilt. Resharpended and repointed at one time long in the past. Many battle scar nicks in the blade. Proper period markings. Priced by condition. **S.B. 500.00**
- 1061 ○ **Scarce WW1 American SA 1914 (16514) Cavalry Saber** (Patton Sword) made by Springfield Arsenal. No scabbard. A small amount of blade rust damage. Rare military collectible type in great overall condition, considering the age. From the Old Woodsman collection. **S.B. 400.00**
- 1062 ○ **Must be 21 to bid. 1870 infantry officer sword** 33 5/8 inches long with scabbard from the old woodsman's collection. Marked: Fca De Toledo 1873. Better than usual condition. **S.B. 250.00**
- 1063 ○ **Japanese battle sword.** Unmarked 27" blade with an overall length of 37 1/2". Blade lock holds sword in scabbard original to the piece. Substantial and sharp. **S.B. 400.00**
