

WELCOME TO FIRST SESSION OF THE 449TH PUBLIC AUCTION

Over the past 3 months, we have travelled far and wide by driving and flying as far west as Reno, north to Minneapolis, east to New Jersey and south to Florida. In doing so, we have amassed over 1100 quality lots. The collection section is highlighted by US, Canada, early Great Britain, Germany and Areas along with Independent Africa. The single section features lots from about 90 different issuing entities. It includes one of the nicest selection of Canada we have ever offered. It contains a huge variety with specialized items. The British, as a whole, is strong especially the Irish Seahorses. The market continues to be solid as we have noticed many new collectors entering the market particularly from the internet.

COLLECTIONS/ACCUMULATIONS AND STOCKS

United States

- 167 ★/○ **Outstanding mint and used 19th and 20th century** front and Back of the Book stock on 102 cards. Some dubious items and some require authentication. Monstrous catalog value and a great turn-key candidate. Good opportunity for high retail profits. **S.B. 14500.00**
- 168 ★/○ **A 1847-2001, five volume 19th, 20th century,** mint, used, front and Back of the Book collection. Well balanced in all areas though a little light in the non-airmail B.O.B. The mint in all areas is riddled with some regum and no gum issues. In both cases significant reduction in value has been applied. Items worth noting are the high value Columbians where regumming was noted #'s 242, 244-245, the other dollar values are OG. The White Plains sheet is NH, C13 is NH, C14 is v1h and the C15 has a HR. Unfortunately, the \$1 through \$3 Federal Ducks were peppered with NG. However, there is over \$500 face in the NH \$5 values and over. Overall a pretty nice group for what it is and a great opportunity for enhancement. **S.B. 5500.00**
- 169 ★/○ **Twelve volumes in mostly Lindner hingeless albums.** The earlies are mostly used with many high values and high catalog value. The later part has over \$1,600 in face.
