2. All bids are per lot, as numbered in the catalogue. Bids may be submitted by mail, fax, phone, email, in person, or by an agent selected by the buyer. Rasdale Stamp Company reserves the right to withdraw any lot prior to sale, to divide any lot or to group two or more lots together into a new lot.
3. All bids are handled competitively and confidentially. Lots purchased for the highest bidder at a slight advance over the second highest bid. Should any dispute arise between bidders, the decision of Rasdale Stamp Company as to the successful bidder; or the re-offering or resale of the lot under dispute shall rest solely in the judgment of Rasdale Stamp Company. Rasdale Stamp Company shall regulate the bidding and reserves the right to refuse any bid which Rasdale Stamp Company, in its sole discretion, believes to be made in bad faith. 4. Any party wishing to limit its purchases to a specified amount must indicate the desired total on the bidsheet. Amounts less than \$200.00 are respectfully declined.
5. Successful bidders who: (i) are not prequalified, with references acceptable to Rasdale Stamp Company; (ii) who are not existing customers of Rasdale Stamp Company; or, (iii) whose account is in arrears shall make payment in full prior to delivery of the lots by Rasdale Stamp Company. Mail bidders who are not existing customers of Rasdale Stamp Company will be timely notified of the amount of their purchases. Rasdale Stamp Company reserves the right in its sole and absolute discretion to demand cash or cash equivalent at the time a lot is knocked down to any bidder who has not previously established credit with Rasdale Stamp Company, or whose account is currently in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, Rasdale Stamp Company reserves the right to re-offer the lot immediately for sale to the highest bidder.
6. If the lot(s) have not been paid within 21 days from the date of mailing of notice of the awarding of sale, then said lot sales may be declared in default; resold; and, any losses arising from such resale shall be charged to the party in default.

Since all lot sales are normally cleared within 90 days, if Buyer fails to inform Rasdale Stamp Company of the delay, then Rasdale Stamp Company may consider the purchase final and distribute the sale proceeds to the Seller as a Buyer acceptance of the tendered lots. Absent timely notice and request for additional time being received by Rasdale Stamp Company, in writing, prior to the 90 days clearance, this transaction may be deemed closed and final by Rasdale Stamp Company with Seller acceptance without objection, and with waiver of default or any claim for refund from the Buyer or Rasdale Stamp Company.
  - f) Expertization costs shall be incurred by the buyer.   - g) No lot can be returned in any circumstance due to "grading" since it is highly subjective.
13. A lot, in which the description is incorrect, is returnable within 5 days of receipt and must be received by the Rasdale Stamp Company within 21 days from the date of the auction. Provided, however, lots cannot be returned under the following conditions: 1) the lot contains 10 or more stamps; 2) there is mention of faults, defects, or "condition mixed" in the listing description; or, 3) the lot was inspected by the buyer or the buyer's authorized agent prior to bid or purchase. Collections, accumulations etc., are not returnable under any circumstances.
14. Title shall not pass to the buyer until Rasdale Stamp Company has received full payment. Full payment is defined as cash or cash equivalent receipt of sale proceeds by Rasdale Stamp Company. Delays may accrue due to credit card fee transfers, check deposit subject to collection and the like. Receipt of a non-certified funds check shall not be construed as payment until funds are fully vested in Rasdale Stamp Company.

**COLLECTIONS, ACCUMULATIONS  
AND STOCKS**

UNITED STATES

- 1 ★/○ **An outstanding collection in a Safe album with slipcase.** Strong in the nineteenth century with a few stamps having certification, and all the 19th century commemoratives are present with most being mint. The collection continues to the 1940s including the Kansas Nebraska issue, White Plains sheet, Parks and Famous Americans. Mixed condition on the earlies as expected and a few with no gum. The images tell the story of this desirable collection. A great collection worthy of a close inspection. **S.B. 8000.00**
  
- 2 ★/○ **A lovely group in dealer's sales books** with many better items. The classics are well represented as is the early twentieth century. Newspaper stamps, officials, and revenues round out this selection. Take time to review this lot and come up with your number. **S.B. 7500.00**
  
- 3 ★/○ **A straight forward mint and used 1851-2018 commemorative and regular issues collection** nested in 8 Davo hingeless albums with slip cases. The assembly displays numerous low, medium and a few higher values. Also includes a fair number of airmails and Back of the Book as well. Also worth a number is the over \$2200 in face that includes copious amounts of high values and Forever issues. A few items are accompanied with certificates from various expertizing services. Condition is mixed. A real sparkler as a beginners collection. Worthy of pursuit and expansion. **S.B. 4500.00**
  
- 4 ★/○ **A lifetime collection from the Sunshine State housed in 5 Scott national albums.** Begins with a #1 but otherwise a bit weak in classic issues. Some decent banknotes, Columbians and turn of the century issues before the spaces really begin to be filled starting with the Washington-Franklins with many nice mint copies. Starting with Scott 614, we didn't notice a single empty space or used stamp to the end of the collection in 2010; imperf Bugs, Recalled Legends, high value Priority and Express Mail are all here mint in mounts. The airs, including zeps, are complete mint as are the special delivery issues. Postage dues, good Shanghai stamps, parcel posts, and newspapers are also represented. Used examples predominate in the officials. Complete ducks to 2007 are also here with the first few used and mint thereafter. A page of Confederate States brings up the rear of the collection. Condition varies as usual with a large collection but most are fine or better. The extensive photos will be helpful in determining your bid as this meaty collection deserves a close look. **S.B. 4000.00**

- 5 ★/○ **A noteworthy mint and used 1847-2019 front and back of the book collection** nested in 6 Lighthouse Hingeless albums with slip cases. Predominantly used though the Back Notes then turns into a mixture of mint and used through the Washington-Franklins finally ending up mostly mint. Airmails are all mint with keys issues present. The back of the book show cases a mint Shanghai overprint set and used Special Deliveries. There is over \$2100.00 face in the postage types so it will need to be figured into the final price. Condition is very mixed, so close examination is recommended, and we have taken that into account coming up with suggested bid. **S.B. 3000.00**
  
- 6 ★★/★ **1893-1934 mint collection in Davo hingeless album with slip case.** A good starter collection that is clean, fresh, and mostly never hinged. An extremely attractive holding worth your time to view. **Cat. 3000.00**
  
- 7 ★/○ **A much better mint and used 19th and 20th century stock and back up group** than normally encountered. Meticulous assembled over time with attention for quality while holding to modest amount of duplication comes to light after many years of dedication serving the quality conscious philatelic community. Must be seen to be appreciated so take your time perusing through the 140 images we are proud to present. **S.B. 2800.00**
  
- 8 ★/○ **Thirty-four pages removed from a Scott National album with mostly moderate to high catalog issues.** Starts with a five cent 1847 and continues to #550. Also includes a page of special deliveries, a couple pages of dues, and a page of parcel posts. Condition varies significantly but much is fine or better with a good number of useful stamps. See the photos for a taste of this one. Owner's reliable catalog value about \$24,000. **S.B. 2400.00**
  
- 9 ★/○ **Collection in eight SAFE albums including back of the book.** Some better items throughout some optimistically placed. Many precancels and cut squares. A diverse group that should be carefully viewed. Look for the gems. **S.B. 2000.00**
  
- 10 ★/○ **A meaty group for the collector.** Regular issues, commemoratives, revenues, air mails, postal cards, cut squares and possessions are all included. It begins with four Davo albums including dust cases with mint to 1988, and then six Scott specialized albums, two are newer, and finally White Ace pages in binders plus other bound pages. A good amount of back of the book including a Philippine collection and assortment of revenues and early air mails (C1-6 plus C 18). Pictorials are strong with a used 118, 119 and 122. Make time to view this group, it will prove beneficial. **S.B. 2000.00**
  
- 11 ★/○ **A useful mint and used collection.** Mint is a combination of original gum, re-gummed, and no gum. Condition is extremely mixed. A good lot for the non-discriminating collector. Needs careful examination to come up with the right number. **S.B. 1800.00**
  
- 12 ★ **An impressive 1893 through 1995 mostly commemorative four volume collection** in like brand-new Lighthouse albums with slip cases. The earlier issues are sparsely populated but picks up speed with the 1920 issues. Also includes early airmails and a bit of Back of the Book. Most are NH, even the earlier issues so much better quality than normally encountered. Also includes a small assembly of 1940's to 1960's commemorative plate block in a Scott national album thrown in for a bonus. Perfect opportunity for a serious collecting endeavor. **S.B. 1700.00**

## RASDALE STAMP COMPANY

- 13 ★/○ **A dealer's stock with many desirable items.** The earlies are present along with a good number of ducks and other back of the book items. Much of the twentieth century material is mint. A useful selection well worth checking out. **S.B. 1600.00**
- 14 ★ **Ready, Set, Go. Very clean dealer's stock of desirable, mostly pre-1950 U.S. plateblocks.** Includes BOB. Envyable condition. Over 125 items. Mostly all different and almost all NH. Each plateblock placed into a sales sheet, identified, and priced. All housed in three small three-ring binders. Neat, sharp, and perfect for resale. **S.B. 1600.00**
- 15 ★ **Looks to be exceedingly high quality throughout.** Everything is nicely centered and upon spot checking much is never hinged. This is a collection for those who hold condition paramount. Inspect and enjoy. **S.B. 1600.00**
- 16 ○ **This lot was also buried underground in New Orleans and suffered water damage.** Since the majority of this material is cancelled it did not suffer any extensive damage. Much of it is on Scott revenue pages with first and second issues well represented as well as wine stamps. A small binder contains private revenues including matches, soap, pills, syrup, medicine, castoria and playing cards. Condition is mixed. A group worth your time to inspect. **S.B. 1500.00**
- 17 ★/○ **Mint and used collection** housed in eight Scott National and three Minuteman albums. Nineteenth century is lightly populated until the Banknotes. Condition is very mixed. Over \$1400 face. Well worth a careful view. **S.B. 1350.00**
- 18 ★/○ **Five cartons of left over, picked over and run over U. S. in a multitude of formats.** We noted juvenile and intermediate collections; shoe and cigar boxes stuffed with face in glassines; plate blocks; precancels; revenues; and much more. Noted highlights include (mint) C1-6, C18, and quantities of faulty Columbians and Pan Americans. A Davo hingeless set of albums is missing volume 4, but volumes 1-3 and 5 are in excellent condition even though the stamps enclosed are mundane. Even a USPS logo flag made its way into this lot. Condition varies wildly throughout the lot but much is fine or better. We took a plethora of pictures to guide your bid but this one really deserves an extended viewing. Dig in! **S.B. 1000.00**
- 19 ★★/★ **Several albums with varying amount of completeness, spanning 1890 to 2000's.** Lots of face postage, FDC, postal cards, multiples, coils, etc. A dab of worldwide along for the ride. **S.B. 1000.00**
- 20 ★/○ **Collection of collections in varying stages of completion,** plus a nice stack of 2c reds in quantity. Some Hawaii noted in the photos. For sure worth exploring **S.B. 1000.00**
- 21 ★/○ **A small, wonderful selection of mostly revenues, regular issues and back of the book.** Some of the more interesting items are #76, 630, C23a, E7, Q5, Q11, JQ4 and PR122. Condition is mixed but well worth your time to inspect and enjoy. **S.B. 900.00**
- 22 ★/○ **Extensive old-time collection in White Ace albums with slip cases to 1979** but sparse until the later banknotes. Does have pockets of strength throughout like early air mails and wine revenues. Some of the better items are Scott # 208, 240, 242, 630, C 18 and early newspaper stamps. The Harris plate block album is lightly populated and there is about \$300 in postage. An interesting collection so plan some time to view. **S.B. 750.00**
- 23 ★/○ **Four binders with a moderately populated collection to 1929.** There is also stock, and many stamps have fancy cancels. There is mixed condition on the earlies as expected. Needs careful examination to come up with the right number. **S.B. 750.00**
- 24 ★/○/FDC **United States consignment as received in ten cartons.** Encompasses around 4,000 cacheted FDCs of which about 2/3 are unaddressed most presented as subscription items from the 1970s to 1990s. Includes over \$400 face having some in low value sheets, scrap and in subscription binders. Also entails souvenir pages and United Nations FDCs. **S.B. 650.00**
- 25 ★★ **Very clean booklet stock.** Ideal group for the internet dealer. Worth a look. **S.B. 600.00**
- 26 ★ **Lovely US group running from the 1920s to mid-1980s** with some light duplication. Many blocks, plate blocks and sets. A clean group with much never hinged material. Inspect and enjoy. **S.B. 600.00**
- 27 ★/○ **A comprehensive group with many desirable items** including classics, early commemoratives, Washington/Franklins, possessions and back of the book. There is a little Mexico thrown in for extra spice. You will be pleased if you look this lot over. Inspect and decide. **S.B. 600.00**
- 28 ★/○ **A wide assortment of material starting with the classics and continuing to modern** plus back of the book and possessions. Classics include many that are mint, early special delivery and many Hawaii are included. Some of the Hawaii are cancelled. Loony Tunes (single imperf) and Legend of the West errors are present. Make some time to search through this group. **S.B. 600.00**
- 29 ★/○ **Two boxes of US precancels with 1,000's of 1922 Bureau series, Washington Bicentennial, Liberty, Victory series.** One box has a collection in four three-ring binders of US bureau precancels, two very well filled, and two binders of stock pages. Second box includes more bulk material in forty or so small boxes to be sorted into the albums; some unsorted; some divided up by state. Several pages of multiples included. Enough material to really enjoy the hunt. **S.B. 600.00**
- 30 ★/○ **1980's Bourse dealer's stock.** Interesting sale binder and shoe box. The binder contains some better items such as 551-573 mint, 310 mint, a supply of mint Hardings, Columbian 30 cent used, 1053, 1938 Presidentials and a supply of many other saleable sets and singles. The shoe box contains more common stock in glassines and stock cards. Much NH. Worth inspection. **S.B. 550.00**
- 31 ★/○ **A wide assortment from classics to Confederates,** revenues to regular issues, and bicentennial sheets to postal stationary are ready for you to sort through. Condition is mixed but many sound stamps are present. Worth your time to view. **S.B. 500.00**
- 32 ★ **An all mint collection of regular issues and BOB** on White Ace pages running to 1981. As might be expected, the 19th century is sparse to non-existent. Pages start filling in about the turn of the century and, by the end, are basically full. Condition varies including no gum and regummed but the vast majority are F-VF, with much NH. Numerous highlights include 275, 570-573, Kansas-Nebraska complete, 832-834, 1053, C13, C18, F1, K15, and Q1-9. **S.B. 500.00**
- 33 ★/○ **Quite the job lot of this and that.** Auctions lots, groupings, singles, approval cards. Something for everyone. Take a dive. **S.B. 500.00**

## RASDALE STAMP COMPANY

439 ★/○ **A collector's pride and joy on homemade pages in 2 large binders and in two boxes.** While there are some better sets and singles, the heart of this collection is the incredible flyspecking done by the previous owner. Not only did he identify hundreds of varieties or printing flaws, but he was an accomplished artist, so his illustrations of each variety are as well done as a published book. In addition, there is often extensive write up describing each series of stamps and the historical context in which they were issued. Stamps begin with the series of 1865 with his flyspecking efforts continuing from about there to around 1930 when commemorative issues became much more frequent. From this point, to the mid or late 1960's, the collection consists of mint or used stamps mounted on the same style homemade pages, mostly in the two boxes in now random order. Interspersed throughout are several covers, again with varieties identified, accurately illustrated and with extensive write up. An unbelievable opportunity to dive deep into a fascinating and popular area. **S.B. 1000.00**

440 ★/○ **Russia collection in three Scott Specialty binders with pages to 1991.** Volume 1 is mostly void of Imperial Russia issues until about 1913, then is relatively well-filled, mixed mint and used, to 1964. Volume 2 covers 1965 to 1979, again mint and used mixed. Finally, the third volume houses 1980 to 1991 plus semis, airs, and other BOB. Stamps are affixed with a mixture of hinges, mounts and tape (archival?). With care, the tape is easily removed from stamps mounted using it and we saw no detrimental effect to either stamps or album pages. However, it is probably prudent to remount those stamps with a more philatelically friendly method. A number of worthwhile sets or singles throughout and generally nice condition albums makes this a winner at our suggested bid. **S.B. 500.00**
