

## Welcome to the First Session of the 452nd Public Auction

Here we are in the midst of the most normal summer since 2019, offering our 452nd public auction. The principal consignment originated out of Northern Indiana, formed by the owner of a fourth-generation family business given to us by the fifth generation. This man's United States holding held a highly valuable and desirable collection along with many seldom seen 19th century issues with certificates. Another notable consignment was acquired from an old friend out of Lansing, Michigan which encompasses the most extensive Latin America group we have handled in many years. Of no less importance are the other hundred plus consignments which round out the best sale of the year to date. This sale is sure to have material for every collector, so peruse through the over 1,200 lots to find what you are looking for. We, at Rasdales, are always looking to put together the best auctions as possible and could never do it without you, our dedicated customers and consignors. So, thank you for your continued support.

COLLECTIONS, ACCUMUALTIONS  
AND STOCKS

UNITED STATES

- 1 ★/○ **A colossal four volume 1851-2011** almost entirely mint commemorative, regular, airmail, and Back of the Book issues collection. Includes heavy doses of pre-Banknote, Banknotes, early commemoratives. Marching solidly into the early 20th century regular issues while pouring into large populations of Washington-Franklins. Then emerging into the contemporary and modern issues unscathed. The collection continues to trudge forward into the astonishing Airmails, spectacular Special Deliveries, potent Postage Dues, a kaleidoscope of Shanghai overprints, only ending with an outstanding offering of Officials. Includes copious amounts of lower and medium values as well as impressive higher value populations. This immense assembly is just a bit mixed, however one must be impressed with the massive amount of clean worthwhile material. One of the finest United States collections we have had the privilege to offer. **S.B. 12000.00**
- 2 ★/○ **An outstanding collection in a Safe album with slipcase.** Strong in the nineteenth century with a few stamps having certification, and all the 19th century commemoratives are present with most being mint. The collection continues to the 1940s including the Kansas Nebraska issues, White Plains sheet, Parks and Famous Americans. Mixed condition on the earlies as expected and a few with no gum. The images tell the story of this desirable collection. A great collection worthy of a close inspection. **S.B. 5000.00**
- 3 ★/○ **Very clean stock of US mint and used** from a #10A through Prexies, with airs, and some BoB. Organized to sell or add to your collection. **S.B. 3750.00**
- 4 ★/○ **A pair of 19th and 20th century collections.** The first is a mixed mint and used 1847//1984 group mounted in a couple of Scott National albums. The front of the book section offers a balanced representation of commemorative and regular issued medium to lower values. The airmail section is quite strong highlighted as a mint and used set of 1930 Zeppelins. The back of the book is very underwhelming. The second assembly is a commemorative 1893//1972 collection nested in two Heirloom binders that start with the Columbian issues up to the \$4.00 value. The quality is quite mixed in both collections. Combining these two into a new hingeless would brighten up the party. **S.B. 3500.00**
- 5 ★/○ **An up-and-coming 1847-1980 collection/accumulation.** The heart and soul of the assembly is housed in first of two Scott hingeless albums. Includes both 19th and 20th century mint and used, commemorative, regular issues, airmails, and Back of the Book issues. Well balanced low to medium values with the occasional higher value at the end of some sets. Mixture of mint and used through the 1917 issues then turns almost all mint. Condition is mixed. A dash of worldwide thrown in for a bonus. A group worthy of serious consideration. **S.B. 3000.00**
- 6 ★/○ **A virtually all mint collection to 1988** in a Liberty album. Condition ranges significantly, with no gum, regummed, hinged, and never hinged present. Centering is also variable and faults are present on a number of the better items. Nevertheless, there are a large number of useful stamps here including 11, 24, 26, 35, 112-114, 212-217, 219-229, Columbians to the \$1, Trans-Miss to the 50c, 294-299, Washington-Franklins, Kansas-Nebraska, C1-6, C13, E1-3, and too many more to list. An interesting and valuable collection for which viewing is recommended. **S.B. 2700.00**
- 7 ★/○ **United States collection in nine sparkling Scott platinum hingeless albums** in two cartons having stamps from 1870 to 2019. Encompasses thousands of mostly mint but some older used stamps in full, partial sets, singles, souvenir sheets, and booklets. Highlights includes mint C13-15 and a White Plains sheet. The bulk of the value is in the roughly \$2,000 face to count. Appears mostly complete from 1935 to end. Likewise includes filled hingeless pages with stamps from 2020. Also involves years sets from 1989/1998 as well some other year sets from 1968 to the 1970s in large envelopes. A terrific selection waiting to be viewed. **S.B. 2700.00**
- 8 ★/○ **An old time 1847-1933 mint and used commemorative and regular issue collection** mounted on Scott pages. Most of the periods are well represented with a few higher values present. Condition is quite mixed, so careful viewing is recommended. Worth serious consideration. **S.B. 2600.00**
- 9 ○/★ **An outstanding array of mostly used 1861-1893 regular issues** and a few covers to add a little flavor. Seems to be hand selected for centering and condition as the owner has a sharp eye for appearance. More than a dozen items with certificates are included in the singles section of this sale. What remains here demands some serious consideration. It will take an aggressive bid to be successful acquiring this remaining assortment. **S.B. 2600.00**
- 10 ★/○ **A better stock than normally encountered.** Most of the earlies were acquired by auction and has many better items that will improve your collection. Over-all a desirable group that deserves close look. Inspect and enjoy. **S.B. 2200.00**
- 11 ★/○ **A lifetime collection from the Sunshine State housed in 5 Scott national albums.** A bit weak in classic issues. Some decent banknotes, Columbians and turn of the century issues before the spaces really begin to be filled starting with the Washington-Franklins with many nice mint copies. Starting with Scott 614, we didn't notice a single empty space or used stamp to the end of the collection in 2010; imperf Bugs, Recalled Legends, high value Priority and Express Mail are all here mint in mounts. The airs, including zeps, are complete mint as are the special delivery issues. Postage dues, good Shanghai stamps, and newspapers are also represented. Used examples predominate in the officials. A page of Confederate States brings up the rear of the collection. Condition varies as usual with a large collection but most are fine or better. The extensive photos will be helpful in determining your bid as this meaty collection deserves a close look. **S.B. 1900.00**

## RASDALE STAMP COMPANY

- 12 ★ **Over two hundred tobacco paid revenue stamps.** There is a wide variety of these seldom seen revenues. This is a lot for the revenue specialist. Take time to view.  
S.B. 1900.00
- 13 ★/○ **United States collection from 1847 to 2018 in five Scott albums** in one carton. Most of the value is in all the postage to be counted as well as highlights of used Scott #1, 2 and mint White Plain sheet plus a few other collector items. The plethora of postage will make this a worthy lot. Well worth our suggested bid. S.B. 1900.00
- 14 ★/○ **A collection in two Harris Liberty albums.** Early used includes 9, 69, 71 115, 119, 218, 229, Columbians to the 50c, and most Kansas overprints. Mint begins in earnest with the Nebraska overprints and continues seemingly complete to 1997. Back of the book is weak except the airs which includes mint C13-15. Condition varies but much is fine or better. A useful collection for dealer or collector. S.B. 1800.00
- 15 ★ **Neat and clean 1902//1990 mint regular issue single and plate block collection** meticulously mounted on White Ace pages. Mostly lower and medium issues present. Mainly front of the book, no airmails, and just a bit of back of the Book. Very fresh appearing with decent amount of NH and some good amount of postage types present. Great lot for the beginner and should be taken seriously. S.B. 1700.00
- 16 ★/○ **A haphazard assortment comprising of a worthwhile starter collection** and an unprocessed accumulation of mint and used front, and Back of Book nested in sales pages and cards. The three-part collection includes a 1923 to modern blocks of 4 commemorative collection on White Ace pages. The second grouping is a 1903 to 2000 mostly mint regular issue and commemorative singles which includes a nice selection of Airmails, some mentionable Back of the Book, and a bit of Philippines. The third collection is a small hodgepodge of plate blocks of little consequence. The unprocessed accumulation contains a fair number of hidden sparklers scattered about. Also worth mentioning is a batch of 2¢ reds and other popular areas in sheet form. What type of grouping like this would not have a nice mixture of postage containing a sizable bunch of high values to sweeten the pot. A lot that should be given serious consideration. S.B. 1600.00
- 17 ★/○ **A great start to a U. S. collection in three Lighthouse albums.** Lightly populated in the classics but picks up in the banknotes. There is only one grilled banknote, 134, the others are without grills. There are a few other optimistically placed stamps. Highlights include a scattering of the early mint stamps beginning in the banknotes and continuing through the Columbians then slowly becoming mostly mint around 1920. Complete Trans Mississippi, Kansas Nebraska and Parcel Post enhance this collection along with an almost complete selection of ducks to 1995. A great lot worthy of inspection. S.B. 1600.00
- 18 ★/○ **Givin' the Man His Dues. Massive assembly of thousands of U.S. revenue stamps** of all sorts in five stockbooks. Impeccably organized and arranged. Neat, clean, and fresh. Some information supplied in Dutch. Also has a small collection of U.S. airmail stamps. Good opportunity to amass a dealer's stock of this popular field. Huge total catalog value. See photos for an introduction to this lot. S.B. 1500.00
- 19 ○/★ **Huge catalog value in very mixed condition.** Many earlies and back of the book. A careful inspection is suggested. Worth viewing. S.B. 1350.00
- 20 ○ **This group includes lightly populated cancelled earlies** some better mint such as White Plains sheet, C14 and C18 and other mint issues from the mid-twentieth century. Most of the value is in postage. Bring your calculator and prepare your bid. S.B. 1200.00
- 21 ★/○/☒ **Superlative must-see collection of George Washington stamps,** covers, and innumerable ephemera items in a very large horizontal format two post binder with over two hundred pages of material. Appears to be gathered in the contemporary moment of Washington's two-hundred-year celebration, 1732-1932. Truly a monumental work containing stamps, hundreds of covers, and ephemera of all kinds surrounding events and milestones in Washington's life. Maps, many event programs, photographs, some clippings, even a dining car menu from the Pennsylvania's Broadway Limited, all gathered and carefully mounted in this huge resource. This collection has never been on the market until now and must be seen to be believed. A one-of-a-kind life's work. We took lots of pictures. Don't miss it. S.B. 1000.00
- 22 ★/○ **Remainder of a mostly mint cut square collection** going to 1991. Includes earlies, airmail and officials. Back of the book collector will enjoy looking this one over. Cat. 3690.00
- 23 ★/○ **Dealer's stock in 4 counterbooks.** Starting with three 8-cent Columbians, this stock is virtually all mint with much never hinged. Having no classics, no high catalog clunkers, and no unmanageable duplication, ideal for a dealer or internet sales. Comprised of two counterbooks of front of the book with airs and special delivery stamps; one book of plate blocks (mostly 2 cent reds); and a book of ducks. Owner's catalog value over \$9500 plus \$330 face in modern ducks. S.B. 950.00
- 24 ★/○ **A playful pedestrian mint and used collection/accumulation.** Most of the value is in the White Ace binders and the pizza size box. Includes both 19th and 20th century lower to medium value commemoratives, regular issues, airmails, and a bit of back of the Book. You will find postage to count in the box and a lone C18 flight cover. Condition is mixed with some better tagged as NH. Some foreign material spotted but is of little consequence and a couple empty albums in for a bonus. Great candidate for the beginning collector. S.B. 900.00
- 25 ★/○ **Several albums, stockbooks and various glassines and bundles of US material** from late 1880's to mid-1970's. Condition of earlies is mixed, but there is much to be found; Farleys in singles and arrow blocks, 1922 Bureau issue including line pairs, early airs. Counter books with value left in them, and lots of plate number singles, blocks and other multiples. A good sorter that will have its rewards. S.B. 900.00
- 26 ★/○ **Many thousand stored in stockbooks,** salescards, mounted on album pages and in glassines. Includes useful 19th century, sometimes in mixed condition, 20th century comens and definitives plus plate blocks. Worth inspection. S.B. 800.00

- 27 ★ **Part of an old holding which includes primarily mint NH issues** from the late 1920's to mid 1960's. Looks like it was basically purchased out of the post office. Includes many plate blocks, sheets, part sheets and large multiples with some better items. Much is in sensible quantities. Somewhat disheveled which makes it a fun group to sort through. **S.B. 800.00**
- 28 ○/★ **United States assortment in three cartons.** Most of the value is the roughly \$1,400 face mainly in sheets and plate blocks in two files and one binder running from three cents to twenty-nine cents having occasional high values. Includes binders or albums containing used and low value postage. **S.B. 750.00**
- 29 ★/○ **Revenue stock all medium to better values.** Handstamps and other interesting cancellations present with condition mostly fine or very fine. A lot that will pique the interest of revenue collectors. Well worth a view. **S.B. 750.00**
- 30 ★/○ **United States accumulation from the early 20th Century** to the 1990s in four cartons. Incorporates thousands and thousands of mixed mint and used stamps having ample backup in albums, small boxes, glassines, envelopes etc. The value is in the postage which consisting of mostly three cents to twenty-two cents in plate blocks, singles, and scrap. You will not be disappointed searching. A little patience will be fruitful. **S.B. 750.00**
- 31 ★/○ **A lovely group of ducks with most being never hinged.** Some toning on the stamps on the inner edge of the pages the remainder are mostly F-VF. The perfect group to use as a beginning of a duck collection. Take time to view this group. **S.B. 700.00**
- 32 ★/○ **Five cartons filled with starter collections,** used arranged in glassines, a nice plate number single collection, low face value plate blocks sorted in glassines and more. Counting the postage will be a good start. **S.B. 600.00**
- 33 ★/○ **A collector's duplicates stored on sales cards** filling one and a half red boxes. The second part is lightly populated until the banknotes with the early part being used then turning over to mint in the 1930s. Parks and the Prexie series are present along with the Liberty series. There is back of the book with good representation of airmails, including a C18, and a good start to a cut square collection. Well worth the time to view. **S.B. 500.00**
- 36 ★/○ **Collection in six albums with an additional few thousand** sorted by Scott number in glassines. Some mixed condition on the earlies along with some optimistic placement, and there is a light population of back of the book issues. Worth your time to view. **S.B. 500.00**
