

## Welcome to the Second Session of the 452nd Public Auction

Here we are in the midst of the most normal summer since 2019, offering our 452nd public auction. The principal consignment originated out of Northern Indiana, formed by the owner of a fourth-generation family business given to us by the fifth generation. This man's United States holding held a highly valuable and desirable collection along with many seldom seen 19th century issues with certificates. Another notable consignment was acquired from an old friend out of Lansing, Michigan which encompasses the most extensive Latin America group we have handled in many years. Of no less importance are the other hundred plus consignments which round out the best sale of the year to date. This sale is sure to have material for every collector, so peruse through the over 1,200 lots to find what you are looking for. We, at Rasdales, are always looking to put together the best auctions as possible and could never do it without you, our dedicated customers and consignors. So, thank you for your continued support.

  - f) Expertization costs shall be incurred by the buyer. 13. A lot, in which the description is incorrect, is returnable within 5 days of receipt and must be received by the Rasdale Stamp Company within 21 days from the date of the auction. Provided, however, lots cannot be returned under the following conditions: 1) the lot contains 10 or more stamps; 2) there is mention of faults, defects, or "condition mixed" in the listing description; or, 3) the lot was inspected by the buyer or the buyer's authorized agent prior to bid or purchase. 14. Title shall not pass to the buyer until Rasdale Stamp Company has received full payment. Full payment is defined as cash or cash equivalent receipt of sale proceeds by Rasdale Stamp Company. Delays may accrue due to credit card fee transfers, check deposit subject to collection and the like. Receipt of a non-certified funds check shall not be construed as payment until funds are fully vested in Rasdale Stamp Company.
