

Welcome to the First Session of the 455th Public Auction

We are proud to offer over 1150 desirable lots from almost 100 consignors. Included in the strong collection/accumulation section are over 60 U.S. lots with suggested bids ranging from \$50.00 to \$5,000.00. Additionally, there is an excellent worldwide collection offered by the album with suggested bids ranging from \$850.00 to \$2,500.00. Also of note are the British lots scattered throughout. Better than normal U.S. and worldwide cover section with singles to accumulations running into the 100's, with especially nice stampless covers. The miscellaneous section is highlighted by model trains and railroad ephemera plus a massive sports card lot stored on a pallet. The singles section is wide ranging with the U.S. peppered with some very high quality, intermixed with "bargain" items for the more frugal buyer. The general foreign section was primarily from an investor active in the 1970's and 1980's. He preferred never hinged, liked blocks of four and small wholesale quantities. Not to be missed is the Canada emphasizing 19th century. As always, we are thankful to all of you who participate in our auctions.

UNITED STATES

|--|--|
| <p>1 ★ Mint collection to the 1930s with no back of the book.
Full set of Columbians with high values 'no gum', Pan Am set, early classics, banknotes, bureaus, and Kansas/Nebraska all mint. Most of the later stamps are never hinged, and the one used stamp in the group is Scott #1. Regummed items and mixed condition on earlies. Overall, a beautiful selection to view. S.B. 5000.00</p> <p>2 ★/○ Collection of comprehensive US material to 1975.
Classics, banknotes, bureaus, are mostly cancelled. Early commems, White Plains Sheet, Kansas/Nebraska and continuing are mostly mint. Good back of the book including ducks, cut squares, and revenues. Mixed condition on the earlies so make some time to view this group. S.B. 4000.00</p> <p>3 ★/○ Quack, Quack. Impressive stock of U.S. federal duck stamps in eight small binders, 1935-1997. Some duplication, but comprehensive representation of the time period. Includes MNH, mint o.g., mint without gum, and used material in F-VF condition or better; some items have small defects. All stamps are housed in sales sheets and identified by Scott 2021 catalog number, condition, and price. Consigner calculates total retail value at over \$28,000. Perfect for a collector new to the field or for a dealer replenishing an existing stock. S.B. 3000.00</p> <p>4 ★/○/☒ Gold medal exhibit of the Honeybee issue (Scott #2281) plus backup. This is outstanding material that presents detailed information about plate numbers, printing errors and more, also includes the designers signature, and about 150 first day covers. A wealth of material for you to examine. Take time to view this treasure. S.B. 3000.00</p> <p>5 ★/○ Comprehensive US collection to the mid 1980s, including back of the book, revenues, and cut squares. Great opportunity to upgrade your collection, add interesting items such as Shanghai overprints, expand into revenue collecting or to start a total US collection. CAUTION: Pages have color photos of stamps at a slightly reduced size, however, most stamps are mounted and can be distinguished easily. Some mixed condition on the earlies. This one deserves extra time to view. S.B. 3000.00</p> <p>6 ★/○ Collection balance in a Harris Liberty album through 1985. Judging by the empty mounts, this was a collection that, at one time, had the vast majority of spaces filled. What remains is plenty of power, albeit in mixed condition. Starts with a pen cancelled #1, then proceeds through the classics with a good number of higher catalog items, including a couple with certs. Turn of the century and forward are fairly well filled and post 1920 is virtually complete to the end. Airs missing only C13-15, extensive dues, apparently complete E's and a loose page of Confederate States round out the collection. A high cataloging collection with several items needing an expert's eye for full evaluation. The extensive photos provide a good sample of what is here. S.B. 2500.00</p> | <p>7 ★/○/☒ Eighteen cartons filled with philatelic victories from numerous estate auctions over the course of many years out of central Pennsylvania. Includes dozens of albums, salesbooks and stockbooks. Among the many starter collections is a substantial amount of postage to be counted, much of which is in the form of plate blocks. Also, of note are precancels and earlier used lined up in stockbooks awaiting to be combed through for cancels. Occasionally a better item was spotted. Hours of sorting fun or good profit potential. S.B. 2500.00</p> <p>8 ★/○ A selection in table book pages beginning with Scott # 10 and continuing to the Canal Zone. Better items throughout and good back of the book. Make extra time to view this one. S.B. 2400.00</p> <p>9 ★★ A beautiful collection of Farley issues with almost all being Parks. Beginning with two sets of plate blocks each for the perforated and imperforated and continuing with a set of twelve stamp arrow blocks minus the nine cent. A set of large die proofs adds to the possibility of a competitive National Parks issue exhibit. A set of covers are included with an additional cover having James Farley's autograph. Enjoy taking your time viewing this one. S.B. 2000.00</p> <p>10 ★/○ Collection of a couple hundred mostly different mounted in two vest pocket spiral note books. The first, with the majority of the value, is primarily used containing 1850's one cent blues to the Kansas/Nebraska issues. Many bright, fresh copies throughout. The second book holds only airmails which is complete to 1984 less the 1930 zeppelins. S.B. 2000.00</p> <p>11 ★/○ Complete commemorative collection mostly mint and a back of the book collection both having mixed condition. Careful inspection suggested to come up the right number. S.B. 1900.00</p> <p>12 ○/☒ Postal History. Specialized collection of cancels on late nineteenth-century two-cent issues, especially First Bureau. Includes over 160 stamps plus eleven covers. Extensive write-up of cancels, stamps, and covers, with identification, description, commentary, and pricing. A hard lot to duplicate. S.B. 1700.00</p> <p>13 ★/○ Collection of revenues mostly on attractive homemade pages. Includes wines, beers, Malt Liquor, playing cards, silver, cigarettes, potatoes, tobaccos, narcotics, consular and customs. The playing card selection is in depth. You will enjoy viewing this group. S.B. 1600.00</p> <p>14 ★★/★ Complete US Duck collection to 2022. Never hinged begins in 1941-42 and continues to the end with the exception of 1944-45. A beautiful selection mounted on White Ace pages to 2012 the remainder on stock pages. The perfect group to continue. Inspect and enjoy. S.B. 1500.00</p> <p>15 ★/○ Group of revenues with better items throughout. First and second issue are strong with others having good representation (see images). in addition to this group are special delivery, postage due, parcel post and newspaper stamps. An extended viewing is highly suggested to appreciate this lot. S.B. 1500.00</p> <p>16 ★/○ A wonderful collection of mostly mint that is sparse until 1925 then well populated through 1994. Early Washington Franklins, White Plains Sheet, Prexies and C1-12 are some highlights. Make extra time to view and enjoy this group. S.B. 1350.00</p> |

- 17 ★/○ **A collection to the mid-1980s** waiting to be built upon. Sparse on the classics but picks up around 1890. Starts to change over to mint around 1909 and becomes all mint after 1925. This will be a great start for the new philatelist. Make time to view. **S.B. 1350.00**
- 18 ★/○ **Coil collectors will have an opportunity to view hundreds** of twentieth century coils. Beside line pairs there are end roll coils, test coils and Schermack's perforations to look through.
