

## Welcome to the Second Session of the 455th Public Auction

We are proud to offer over 1150 desirable lots from almost 100 consignors. Included in the strong collection/accumulation section are over 60 U.S. lots with suggested bids ranging from \$50.00 to \$5,000.00. Additionally, there is an excellent worldwide collection offered by the album with suggested bids ranging from \$850.00 to \$2,500.00. Also of note are the British lots scattered throughout. Better than normal U.S. and worldwide cover section with singles to accumulations running into the 100's, with especially nice stampless covers. The miscellaneous section is highlighted by model trains and railroad ephemera plus a massive sports card lot stored on a pallet. The singles section is wide ranging with the U.S. peppered with some very high quality, intermixed with "bargain" items for the more frugal buyer. The general foreign section was primarily from an investor active in the 1970's and 1980's. He preferred never hinged, liked blocks of four and small wholesale quantities. Not to be missed is the Canada emphasizing 19th century. As always, we are thankful to all of you who participate in our auctions.

3. All bids are handled competitively and confidentially. Lots purchased for the highest bidder at a slight advance over the second highest bid. 5. Successful bidders who: (i) are not prequalified, with references acceptable to Rasdale Stamp Company; (ii) who are not existing customers of Rasdale Stamp Company; or, (iii) whose account is in arrears shall make payment in full prior to delivery of the lots by Rasdale Stamp Company. Mail bidders who are not existing customers of Rasdale Stamp Company will be timely notified of the amount of their purchases. Rasdale Stamp Company reserves the right in its sole and absolute discretion to demand cash or cash equivalent at the time a lot is knocked down to any bidder who has not previously established credit with Rasdale Stamp Company, or whose account is currently in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, Rasdale Stamp Company reserves the right to re-offer the lot immediately for sale to the highest bidder.
6. If the lot(s) have not been paid within 21 days from the date of mailing of notice of the awarding of sale, then said lot sales may be declared in default; resold; and, any losses arising from such resale shall be charged to the party in default.

Since all lot sales are normally cleared within 90 days, if Buyer fails to inform Rasdale Stamp Company of the delay, then Rasdale Stamp Company may consider the purchase final and distribute the sale proceeds to the Seller as a Buyer acceptance of the tendered lots. Absent timely notice and request for additional time being received by Rasdale Stamp Company, in writing, prior to the 90 days clearance, this transaction may be deemed closed and final by Rasdale Stamp Company with Seller acceptance without objection, and with waiver of default or any claim for refund from the Buyer or Rasdale Stamp Company.
  - f) Expertization costs shall be incurred by the buyer. However, should an adverse opinion be rendered on Authentication, but not due to condition and or grading, then Rasdale Stamp Company will forward an immediate refund of: (i) the cost of the certificate, which shall not to exceed \$50.00; (ii) the full purchase price; and (iii) the commission, provided the lot is timely returned to Rasdale Stamp Company in the same condition as when purchased.
  - g) No lot can be returned in any circumstance due to "grading" since it is highly subjective.
13. A lot, in which the description is incorrect, is returnable within 5 days of receipt and must be received by the Rasdale Stamp Company within 21 days from the date of the auction. Provided, however, lots cannot be returned under the following conditions: 1) the lot contains 10 or more stamps; 2) there is mention of faults, defects, or "condition mixed" in the listing description; or, 3) the lot was inspected by the buyer or the buyer's authorized agent prior to bid or purchase. Receipt of a non-certified funds check shall not be construed as payment until funds are fully vested in Rasdale Stamp Company.
