

Welcome to the First Session of the 456th Public Auction

Here we find ourselves in the Dog Days of Summer with our 3rd Auction of the year which includes material from over 120 consignors. It has been hot and so has the stamp market. We travelled to NW Wisconsin to pick up a valuable consignment for the second time this year. This holding accounts for much of the United States single section along with the first U.S. collection offered plus intact Newspaper stamps and Revenues collections. It is also the anchor for a great run of country collections. The strong selection of Asian countries from various sources will be of particular interest. One of the highlights is the Indian States collections, probably the best we have ever offered. Please take time to view as there are over 10,000 images to help determine the best bid possible. Don't forget that if you have any further questions on a lot feel free to call our offices from August 7th to the 16th and someone from our staff will be more than happy to help. Good luck and stay cool. On an accounting issue, please note that starting November 1, 2023, we will be adding a 2% surcharge to all credit card payments. We have been putting this off as long as possible but finally have succumbed to reality and joined the rest of the industry with this policy.

Pre-Auction Bidding: Bids will be accepted by mail, fax, email and phone until 5:00pm (CDT) on Friday, August 18th.

Rasdale Live Auction Bidding: Live bidding takes place at 9:00am (CDT) on Saturday, August 19th for Session One and Sunday, August 20th for Session Two. Phone bidding is not available.

Opening Bids: Opening bids will be posted on our website and updated until Friday, August 18th.

Viewing of Lots: Lots will be available for viewing in our auction gallery at 35 Chestnut Ave. as follows:
Saturday, August 12th from 9:00a.m. to 4:00p.m.; Tuesday-Friday, August 15th-18th from 9:00a.m. to 5:00p.m.

The office will close from 12:00pm to 12:45pm (CDT) every day for lunch.

PLEASE NOTE: Starting with our November Auction, we will no longer be showing lots on Tuesdays.

Questions Concerning Lots: If you have any questions regarding further information on any lot, please contact our office no sooner than August 7th but no later than August 16th and we will be pleased to assist you. There are over 10,000 images on the website. Therefore requests for additional scans of any lots are respectfully declined.

There are many images for the serious collector to view. You may want to enjoy viewing this selection in person.
S.B. 13500.00</p> <p>2 ★/○ Mostly used mounted on Aldridge pages. Exceptional quality throughout noting only one cut cancel. A scattering of handstamps and shade variations make this appealing to the specialist. There are a few items on silk paper with one being certified. A beautiful selection for the collector to view.
S.B. 12000.00</p> <p>3 ★ From the Hayward Estate. A collection put together by a knowledgeable collector from various auction houses. Seven have been certified. There are images of all pages for this group. This wonderful selection deserves an extended viewing.
S.B. 9500.00</p> <p>4 ★/○ An impressive old-time mint and used 19th and 20th century collection/accumulation. Includes a serious core collection on Scott pages. Other particles are a small batch of medium to better on sales and auction pages, some cheap mint and used sorted in glassines, and to no one’s surprise, postage in different shapes and sizes. We note in the postage there seems to be a bit of moisture exposure however, not enough to kill the deal. There is a slight ocean side aroma. Condition is mixed, yet most are better centered than normally encountered in a collection assembled years ago. Careful viewing with an aggressive attitude will place you into a competitive position.
S.B. 9500.00</p> <p>5 ★/○ Attractive US collection in Specialty albums. Classics well represented, including some nice cancels #71, 75 and 78. 1869 issue used complete, Washington Franklins in singles and pairs, with some dollar values.
