

## Welcome to the First Session of the 464th Public Auction

Welcome to our 464th Auction. We, here at Rasdale's, have been very busy writing up lots from several different estates. Right off you will notice nearly 100 US collections, many offered by a narrow time frame of specific issue. They run from \$50.00 in value to over \$10,000.00. Next are the numerous country lots with strong selections of Latin America, Australian States, French Colonies and Canada. Not to be overlooked are the many lots from smaller, not as often seen countries. The collection sizes range from one page to multiple boxes on pallets. The cover section contains over 160 lots which is highlighted by the U.S. originally belonging to a beloved, long retired dealer out of Indiana. While the singles and sets section is not as numerous as the past couple auctions there are still many items of interest, especially in the U.S. and Canada. The standouts in the always fun miscellaneous collectable section include Beatles autographs, a 1933 Babe Ruth card and the first installment of Worldfair's items. The auction is the weekend before the APS's GASS show in Schaumburg. If attending the show, we welcome anyone to make arrangements to possibly pick up their lots at the show. (Sales tax will apply if not exempt). Enjoy the summer but always keep on stamping.

Absent timely notice and request for additional time being received by Rasdale Stamp Company, in writing, prior to the 90 days clearance, this transaction may be deemed closed and final by Rasdale Stamp Company with Seller acceptance without objection, and with waiver of default or any claim for refund from the Buyer or Rasdale Stamp Company.
  - f) Expertization costs shall be incurred by the buyer. 13. A lot, in which the description is incorrect, is returnable within 5 days of receipt and must be received by the Rasdale Stamp Company within 21 days from the date of the auction. Delays may accrue due to credit card fee transfers, check deposit subject to collection and the like. Receipt of a non-certified funds check shall not be construed as payment until funds are fully vested in Rasdale Stamp Company.

**S.B. 2300.00**
- 22 ★/○ **Dealer's U.S. BOB Pride and Joy.** Choice mint and used airmails, special delivery stamps, postage dues, Shanghai surcharged stamps, official stamps, newspaper stamps, parcel post stamps, and assorted revenues. Placed into sales sheets, identified by Scott catalog number, described, priced, and housed in two small binders. Neatly organized. Nothing appears to be later than the 1930s. Predominantly F-VF. Minimal duplication. A few items have certificates. High total overall catalog value. Easy to incorporate into a dealer's stock with little effort. Photos show selected highlights.  
**S.B. 2200.00**
- 23 ★/○ **Dealer's Red, White, and Blue Pride and Joy.** Involves choice mint and used stamp selection. Appealing assortment of definitives, commemoratives and BOB from the late 19th Century to the early 1930s. Minimal, beneficial duplication. Photos display selected pages of what you will receive. Would be a dandy fit into any dealer's American stock with very little effort.  
**S.B. 2200.00**
- 24 ★/○ **Twenty-seven mostly different stamps,** all with certs. Primarily PF graded types. All but one is mint and many are NH. A few with flaws.  
**Cat. 2122.00**
- 25 ★/○ **Collection of several hundred on homemade pages.** Mainly Washington/Franklin issues with matching commemoratives from that period. Many better throughout, sometimes duplicated. Includes pairs, blocks, mint or used plus booklet panes.  
**S.B. 2100.00**
- 26 ★ **128 different plate proof officials** from various departments.  
**Cat. 2015.00**
- 27 ★/○ **Collection of officials in mounts** and on quadrille pages. Mint and used with many better values.  
**S.B. 1800.00**
- 28 ★/○/☒ **Fascinating collection of many hundred mint and used** Washington/Franklin issues on 20 two sided stockpages. Includes singles, strips and blocks. Several better items included, of which some, an expert evaluation or certificate is advisable, although it does have 18 certificates already. Also, of note are some items that will grade out very high as the consignor was constantly upgrading. Overall minimal faults.  
**S.B. 1700.00**
- 29 ★/○ **Substantial collection of singles, blocks and souvenir sheets,** spanning 1851-1972, hinged in a Scott National album. Regular issues are mostly Fine or better used to 1910, then mixed mint and used, well-filled, to 1920, mostly mint F-VF thereafter to 1972. Includes an extensive Farley selection, modest airmail issues, postage dues, special deliveries, and a scattering of revenues. A bread-and-butter collection well worth consideration.  
**S.B. 1600.00**
- 30 ★/○/☒ **Large accumulation of mint and used in albums and** glassines, from #1 to mid 20th century. Lots of earlies, condition a bit mixed, but stronger airs, including two interesting covers, which we photographed front and back. A Penny Black is along for the ride as well. Owners cat, \$16,000.  
**S.B. 1600.00**
- 31 ★/○ **Huge hoard of United States collections, stockbooks, year sets** and loose housed in nine cartons. There are about 50 albums or stockbooks, the best of which is a Scott Platinum that could nearly stand on its own. The balance is juvenile to intermediate level collections with loads of low or medium denomination postage and several nuggets of better values. A few sheet files and a couple stockbooks had the postage counted and these alone totaled over \$500 face. One carton contains 4 pizza type boxes with lots of useful loose including C18, Shanghai overprints, interesting singles, etc. A fantastic lot, ideal for internet sales. Inspection invited as the photos, while numerous, don't do the lot justice.  
**S.B. 1500.00**
- 32 ★ **1920's and 1930's plate blocks identified in glassines.** Most, if not all, are never hinged. Manageable duplication, especially in perf and imperf Parks.

**S.B. 1350.00**
- 35 ★ **Collection from 1893-1938 in a medium box.** Consists of roughly 160 mint stamps in full partial sets, and singles on nineteen Minkus album pages. Includes a White Plains souvenir sheet, decent Columbians and definitives. Suitable for upgrading or filling empty spaces in your collection.  
**S.B. 1350.00**
- 36 ★/○ **Collection/assortment in three cartons.** Consists of the core collection from 1851-2023 in six Scott albums having thousands of mint and used stamps in full, partial sets, singles, booklets, booklet panes, and sheets. The first album from 1923 to 1987 is mint hinged while the remaining albums appear mostly complete having lots of postage from 1988 to end. Likewise includes an ancillary collection in promotional binder albums of used and mint. Postage alone is worth our suggested bid.  
**S.B. 1250.00**
- 37 ★★ **Dealer's Duck Stock.** Choice mint hunting permit stamps. Almost all never hinged. Gorgeous in appearance, F-VF or better. Looks to be a complete run from Scott RW1 to RW37, with minimal duplication. Placed into sales sheets, identified by catalog number, described, priced, and housed in two small binders. Neatly organized. High total overall catalog value. Photos show selected highlights.  
**S.B. 1250.00**
- 38 ★/○ **Collection in six Scott National albums from the 1860s** to 2017. Consists of thousands and thousands of mixed mint used stamps in full, partial sets, singles, and souvenir sheets.
